

The Geneva Health Forum 2014 is delighted to present you with a unique learning opportunity.

## **Workshop: The Power of Online Collaboration**

Hosted by **Wrike.com**

**Wednesday April 16, 2014 from 10.45-12.15 at the  
Geneva Health Forum  
Room 13**

**This exclusive workshop will be led by Mr. Andrew Filev  
Founder and CEO of **Wrike.com****

Andrew Filev launched his first software development venture at the age of 17, growing it into an international business. Today Wrike.com is the leader in Online Project Management.

As the founder and CEO of Wrike, Andrew Filev is the visionary behind the unique social project management mix that has become an irreplaceable collaboration solution for thousands of people across disciplines and sectors.

Wrike.com is the productivity partner of the Geneva Health Forum.

Seats are limited for this workshop. Email your booking request to **[info@genevahealthforum.org](mailto:info@genevahealthforum.org)**
